Introduction:

All India Drug Supply Co. is a professionally managed trading company founded by Mr. Jayantilal N. Parekh in the year 1953. His attitude and strong belief in quality, service, and competitive pricing are still deeply rooted in our mission statement today.

Since it's founding in 1953, All India Drug Supply Co. has established itself as one of leading suppliers of chemicals, specialty chemicals, biochemicals, excipients, essential oils, gums and waxes. Backed by the immense experience of more than half a century, All India Drug Supply Co. has been providing yeoman service to the growing needs of the Pharmaceuticals, Food, Cosmetic, Veterinary, Paint and various other sectors in the Indian industry.

Our client list is a roll call of honor of industrial giants respected in India and worldwide. We owe our success to these strong relationships that have been carefully nurtured over the years through an unblemished track record of understanding clients' exact needs and providing appropriate solutions aided by our immense experience and knowledge of the industry.

Our Strength:

- At All India Drug Supply Co. we are committed to quality in every aspect of our operation – be it the product, technical support, dispatch, documentation or delivery.
- Gained immense experience & knowledge by serving the industry for 65 yrs
- Have ready stock availability of all our products through our warehouses in Bhiwandi & Mumbai.
- We provide our service to you 24/7 & 365 days.
- Committed to resolve all your queries regarding our product
- Develop long term relationship with all our suppliers and clients.
- Ensures timely delivery of all your goods.
- Ensure complete documentation with each shipment
- Our long term relationships and bulk purchases enable us to offer highly competitive prices and provide document support.
- If you aspire to be the best and are looking for a completely trustworthy partner with unwavering commitment to quality, human values, punctuality and technical expertise then we are your obvious choice.

Infrastructure:

We have warehouses at Bhiwandi with more than 8,000 sq. ft. state-of-the-art warehouse and in Mumbai more than 2,500 sq. ft. state-of-the-art warehouse which ensures that we have ready stock availability of all our products round the clock thereby allowing us to have prompt delivery.

We employ reputed and reliable logistics experts to accomplish prompt door delivery of the goods and ensure that complete documentation accompanies each shipment. We believe in quality of service to make sure that your goods reach you at the day and time you want them to be delivered.
